

# Ageing in Place

## AGEING IN PLACE

A dynamic interactive multimedia presentation for 55+ and their families, inclusive of early stage Alzheimer's.

The basics and more to consider and plan ahead for healthy and safe living. Relevant for both owners and renters.

Includes:

- from simple adaptations to renovations
- a look at every room
- your lifestyle - hobbies, pets...
- physical and memory needs of ageing
- universal design
- accessibility
- disaster safety
- planning ahead for later needs
- outdoor considerations
- resources
